History

St. Paul's Convent School (SPCS), a Catholic secondary school for girls from the age of eleven to eighteen, is sponsored and administered by the Sisters of St. Paul de Chartres, an international congregation, founded in France, that has a history of three hundred years of educational excellence.

SPCS, being one of the oldest Grant-in-aid Schools in Hong Kong, was founded in 1854. It was formerly called French Convent School and even up to the present day, there are still a number of non-Chinese speaking students. The school moved to its present site in 1914 and the present building was completed in 1981. The school was renamed St. Paul's Convent School in 1955. A Sesquicentennial Block of seven storeys was added to the campus to celebrate its 150 years of educational excellence. A new green block, Smart Oasis, was built to highlight the school's sustainable development as part of its 160th Anniversary Celebration.

Since September 2004, SPCS has changed its status from Grant-in-aid School to Direct Subsidy Scheme School (DSS). This change has been most beneficial as it has enhanced the school's unique vision and mission to develop all-round educational excellence, something that has been acclaimed by renowned institutions both locally and internationally. The change has also further helped to strengthen our stature as a school that provides a world-class standard of education, and has enabled us to steadfastly maintain this characteristic into the 21st millennium.

歷史

聖保祿學校是一所天主教中學，為十一至十八歲女同學提供教育，受沙爾德聖保祿女修會贊助及管理。沙爾德聖保祿女修會是一國際性修會，源於法國，為女青年提供優質教育已有三百多年的歷史。

本校創建於一八五四年，為香港最具悠久歷史的政府補助學校之一。其前身名為法國書院。目前，在校中仍有一小部分非華語學生。自一九一四年，聖保祿學校遷往現址。現今之校舍，則興建於一九八一年。學校亦於一九五五年改名為聖保祿學校。適逢本校一百五十周年校慶，一座樓高七層的新翼校舍現已落成，標記著聖保祿學校一百五十載的優質教育服務。作為慶祝一百六十週年紀念慶典活動的一部分，學校已興建一座新的環保大樓，名為智能綠洲，以突出學校的可持續發展。

本校已於二〇〇四年九月起轉制，由過往的補助學校，轉為直接資助學校。此項轉變使本校在辦學方面獲更大的靈活性，充分發揮其辦學理念及使命，以繼續發展聖保祿學校備受本地及國際著名學府認可的卓越全人教育。這種鍥而不捨追求高效能及卓越的信念，有助學校提高教育質素，達至世界級水平，並在二十一世紀堅定不移。

Governance

The school is managed by the School Management Committee that is accountable to its Sponsoring Body, the Sisters of St. Paul de Chartres, which in turn is accountable to the Education Bureau. In pursuit of excellence for quality education, a Quality Enhancement Team has been established to ensure the successful implementation of school goals and the continuous uplifting of educational standards as well as sustainable school development. Furthermore, in view of the complex nature of modern schooling, distributed leadership is implemented through the School's Leadership Team. There is also a School Advisory Board that gives support to the Principal on the formulation of school-based plans to facilitate the smooth day-to-day running of the school.

Pastoral Care

Pastoral care aims specifically to stimulate the spiritual and emotional growth of students, thus leading them to develop a positive regard for themselves and others, strong Christian moral values, a spirit of service, a sense of responsibility and a positive attitude towards life. There is a pastoral care team that co-ordinates the various support services for students. There are teams designated to discipline, careers and guidance, counselling service, school social worker, form teacher and assistant form teacher for each class, moderators for the six houses, clubs and societies as well as the Prefects' Board who collectively support the pastoral care of students.

The school accords a high priority to creating a happy, supportive, harmonious and collaborative atmosphere that is conducive to character formation. It helps students to establish meaningful relationships, as well as develop multiple talents, a zest for academic pursuits and a desire for intellectual development. This positive ethos enables Paulinians to excel in the rigorous academic programmes undertaken by the school. To prepare Paulinians better for the future, multiple pathways to further studies are promoted, and the school has been registered as a BTEC Centre in order to provide more diversified career choices for students.

領導及管理

學校由校董會領導及管理。校董會向辦學團體沙爾德聖保祿女修會和教育局負責。為了追求卓越以提供優質教育，校方已經成立「教育質素提升小組」，確保成功地實踐辦學目標，不斷提升教育水平，並貫徹學校持續發展的路向。再者，有鑑於現今學校運作的複雜性，本校特引入分佈式領導，透過學校領導小組領導學校。學校諮議會亦會就校本計劃向校長提出建議，協助學校的常規運作。

牧民工作

牧民工作的目的在於激勵學生精神與情感的成長，鼓勵學生以積極的態度對己對人，體會基督的道德倫理價值觀，獻出服務社群的精神，培養一己的責任心，從而建立高尚與正面的人生觀。學校有一牧民工作組，負責協調各種支援學生的服務。當中有專責紀律的、升學及輔導的、諮詢服務的、學校社工、各班班主任和副班主任、各學社及學會的導師、以及學生會，皆共同支援關顧學生的成長。

學校貫徹以營造愉快、融洽和合作的校園文化為優先。在這氛圍下，培養學生高尚的品格、建立珍貴的友誼、發展多元潛能、進而啟動高效能的學習動機，主動地追求學業的成就及個人潛能的發展。在這正面積極的氣氛薰陶下，使學生能在嚴謹而充滿挑戰的學習課程中，奮力追求卓越。為更妥善裝備學生多元發展的途徑，本校已註冊成為英國商業及科技教育委員會(BTEC)中心，給學生提供多元化的升學及擇業機會。

Learning Beyond the Classroom

Students are encouraged to participate actively in various kinds of extra-curricular activities, encompassing a diversity of interests, so that the multiple intelligence of the students can be nurtured. There are over fifty clubs providing opportunities for students to develop diversified talents, to acquire life-wide learning opportunities, including leadership training and experiences that cannot be learnt from the formal curriculum.

Students are encouraged to participate actively in various self-initiated joint-school activities, overseas immersion programmes, performances for the community, locally, overseas and in mainland China as well as joining international conferences and competitions for greater exposure and global awareness.

Academic Programme

The curriculum of SPCS provides a solid base for Christian values, knowledge, skills and attitudes that foster critical thinking, creativity and a desire for lifelong learning. It is revised regularly to keep pace with changes in society and the career needs of students. Special and accelerated programmes are also designed for Junior Secondary students to facilitate the development of individual interests and talents to the full.

International students are given the option to take French instead of Chinese and they can also take IGCSE - Chinese if they so wish while local students may take Spanish & French as their third language.

The school uses English as the teaching medium of its formal curriculum. Teachers have adapted the pedagogy of the South Australian Education Department's ESL in the Mainstream Programme in teaching English across the curriculum and were awarded the first "Chief Executive's Award for Teaching Excellence".

Being a Centre of Excellence for IT in Education for over ten years, the school promotes mobile learning and IT across the curriculum. It supports e-learning opportunities and has initiated a school-based e-Book Development Project that stimulates creativity, critical thinking, media appreciation and production. The school, being selected by the Office of the Government Chief Information Officer, is receiving a funding of HK\$5M to provide Enriched IT Programme to our F2 to F6 students in four cohorts from the 2015/16 school year to the 2022/23 school year. This will foster a pro-IT atmosphere, stimulate interest in IT and develop IT talents among students in the school community.
