**Candidate consent form**

**Information for candidates**

*The following information explains what may happen following an enquiry about the result and any subsequent appeal of an examination.*

If your examination centre makes an enquiry about the result and a subsequent appeal of one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, and there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.
- Only EAR 2/2P Service are available

In order to proceed with the enquiry about results, you must sign the form below. This tells the head of your centre that you have understood what the outcome might be, and that you give your consent to the enquiry about results being made.

- 1 You should pay attention to the grade boundary for each subject when you access your results online via ResultsPlus Direct. This information is useful as it helps you to decide whether it is worthwhile to submit a particular EAR request. In addition, you may consult your subject teacher(s) first before submitting any EAR request. You should be aware that your grades may remain the same, go down or up as a result of remarking. For GCE / IAL candidates, your revised scores will be banked for future cash-ins.
- 2 You must write **a** cheque (payable to **SPICE**) for **each** paper / unit that requires an EAR. At the back of each cheque, please write down the paper/unit code of the subject that requires EAR, your **legal** name, class attended last term and candidate no. at the back of each cheque.
- 3 (a) For candidates who have cashed-in (i.e. have been awarded an overall subject grade in the subject concerned), fees will not be incurred where the EAR leads to a change in the overall subject grade for that candidate.  
(b) For candidates who have not cashed-in (i.e. have not yet been awarded an overall subject grade in the subject concerned), fees will not be incurred where the EAR leads to a change in the notional unit grade for that candidate.

At the back of each cheque, please write down
