

Report on the Use of the Promotion of Reading Grant

2023-2024 School Year

Part 1: Evaluation of the Effectiveness

1. Evaluation of achievement of the objectives: (e.g. reading culture of the whole school, students' reading attitude, book borrowing situation and students' engagement in reading activities)

Chinese Lantern Riddles competition, Treasure Hunt and English Book Fair were held during the school year of 2023-2024.

Gradual improvements were seen on the numbers of books borrowed. More students will be encouraged to borrow books from the library. We expect the figure will improve next year.

2. Evaluation of strategies: (e.g. implementing diversified and motivating activities to promote reading, reading across the curriculum and home school co-operation)

The three activities are successful in the school year of 2023-2024. We have good rates of participation. Next year we will organize more activities like board game competition, bookmark design competition, book sharing, etc. to promote reading interest among students.
